

American Water Employees Spread Holiday Cheer, Donating Hundreds of Toys to Camden Charities

December 20, 2018

CAMDEN, N.J.--(BUSINESS WIRE)--Dec. 20, 2018-- [American Water](#) (NYSE: AWK), the largest publicly traded U.S. water and wastewater utility company, today announced that it partnered with [The Boys & Girls Club of Camden County](#) and [The Ronald McDonald House of Southern New Jersey](#) to collect and donate hundreds of toys to these local Camden-based nonprofit organizations.

"I'm so proud of the men and women who work for our company and what they do to give back to the community," said President and CEO Susan Story. "All of the toys donated will go to children right here in Camden where our company's headquarters is based, so it makes sense that our employees would want to give back to their own community. It was great to see the smiles on the kids' faces when they received the toys!"

American Water employees were provided a "wish list" of toys for club members at [The Boys & Girls Club of Camden County](#) and children staying at [The Ronald McDonald House of Southern New Jersey](#) during the month of December.

In addition to the toys, some employees provided monetary donations to the organizations and more than 75 employees volunteered at both nonprofits during the company's Month of Service throughout September.
